

About Us

Need some movers in the Toronto area? Westsend was established in 1994 and is now a leading Toronto Moving Company, since then we have never had a complaint with the BBB and our track record is nothing short of legendary for this volatile industry. We are established and have a long list of satisfied moving clients in and around the Toronto area but also Canada wide through our numerous locations and affiliated reliable moving companies (partners). Since 1994, our tradition of quality, innovation and experience will assure the quality of your Toronto moving experience. We have high standards in hiring local Toronto moving professionals giving you the best GTA moving service possible. We believe that keeping communication channels open between the crew, dispatch and the client will give you the best Toronto moving service possible. If every one is in contact during the move, it is easier to manage and reduce stress and possible negative outcomes. Additionally we offer a long distance moving services from Toronto to all major North American Cities. We also offer Toronto to USA and USA to Toronto long distance service. If you need to move your car also, we can also accommodate you in that department. We use trains to ship our cars to and from Toronto via a contract we have with Via Rail Canada. This is safer than moving your vehicle across Canada by truck and also more affordable. We are equipped and qualified to do the following types of moves:
