

## Toronto Service Area

These are the Toronto Areas that our movers cover. Please to make sure to mention the exact area when booking the move to insure that the drive will go to the correct destination. In the Toronto area it can sometimes be pretty confusing for movers to find your address because a lot of street names are shared by different neighborhood and sections. Better be safe than sorry, it's better that we know exactly where you are located than dispatching the the truck half way across the wrong side of Toronto!
